April 14, 2020

For immediate release:

On April 8, 2020 the Cape Cod Golf Association received an email from Merry Holway PGA, Head Golf Professional for Barnstable Golf. It read in part, "With all the unknowns ahead, the management of Barnstable Golf has decided that we will be unable to host the Cape Cod Open in 2020." It went on to say, "If you would like to resume the tournament in 2021, we would be happy to host." This issue was presented to the Committee members for a determination of continuing the tournament for this year and it was decided to keep our options open for a possible Fall event.

In light of the above information all Players who have registered and paid for the 29<sup>th</sup> Cape Cod Open will be refunded in the entirety in the manner of payment. If you have sent in a check it will not be cashed and may either be returned to you or destroyed as you decide. Please let us know of your decision.

Should you have any questions, please contact the Cape Cod Golf Association Registrar at 774-204-6193 or register@ccopen.com.

We hope that everyone will continue to follow the advice of the CDC and our local health authorities to lessen the risk of acquisition and transmission of COVID-19. The Cape Cod Golf Association is looking ahead to the end of this pandemic with a return to some degree of normalcy in the near future.

Stay Safe.
