March 16, 2020

For immediate release:

Cape Cod Golf Association is monitoring the current COVID-19 (coronavirus) situation very closely as the health, safety and well-being of our community is the priority. During extraordinary times, such as the current global pandemic, Cape Cod Golf Association will be guided in decision making with the information provided by public health and government authorities.

In light of the continued conversations surrounding the fluidity of COVID-19, Cape Cod Golf Association will continue to operate a normal business schedule and will evaluate all events, meetings, seminars and gatherings in the coming weeks. We remain in close communication with our associates and will stress best practices and guidelines as recommended by those public health and government authorities.

As we near the 29th Cape Cod Open, Cape Cod Golf Association will continue to update the Committee members and players on any and all adjustments to schedules and operations through our website, [www.ccopen.com](http://www.ccopen.com), and other electronic resources. We have requested substitute dates in the month of September from the 2 courses involved, should it be necessary to reschedule our tournament.

Should you have any questions, please contact the Cape Cod Golf Association Registrar at 774-204-6193 or register@ccopen.com.

We hope that everyone will follow the advice of the CDC and our local health authorities to lessen the risk of transmission of COVID-19.

Best regards,

Rob Bussiere, Executive Director / Registrar  
Cape Cod Open, CCGA
